

**902 KAR 20:430. Facilities specifications, operation and services; behavioral health services organizations for mental health treatment.**

RELATES TO: KRS 17.500, 198B.260, 200.503(2), 205.510, 210.005(2), (3), 216B.050, 216B.105, 309.130, 311.860, 314.042, 319.050, 319.056, 319.064, 319C.010, 335.080, 335.100, 335.300, 335.500, 439.3401, 45 C.F.R. Parts 160, 164, 20 U.S.C. 1400 et seq., 29 U.S.C. 701 et seq., 42 U.S.C. 1320d-2 – 1320d-8

STATUTORY AUTHORITY: KRS 216B.042

NECESSITY, FUNCTION, AND CONFORMITY: KRS 216B.042 requires the Cabinet for Health and Family Services to promulgate administrative regulations necessary for the proper administration of the licensure function, which includes establishing licensure standards and procedures to ensure safe, adequate, and efficient health facilities and health services. This administrative regulation establishes minimum licensure requirements for the operation of behavioral health services organizations (BHSO) that provide behavioral health services necessary to treat, support, and encourage individuals with a mental health disorder or co-occurring mental health and secondary substance use disorder (SUD) to achieve and maintain the highest possible level of health and self-sufficiency.

Section 1. Definitions. (1) "Adult peer support specialist" means an individual who meets the requirements for an adult peer support specialist established by 908 KAR 2:220.

(2) "Behavioral health professional" means:

(a) A psychiatrist licensed under the laws of Kentucky to practice medicine or osteopathy, or a medical officer of the government of the United States while engaged in the performance of official duties, who is certified or eligible to apply for certification by the American Board of Psychiatry and Neurology, Inc. or the American Osteopathic Board of Neurology and Psychiatry;

(b) A physician licensed in Kentucky to practice medicine or osteopathy in accordance with KRS 311.571;

(c) A psychologist licensed and practicing in accordance with KRS 319.050;

(d) A certified psychologist with autonomous functioning or licensed psychological practitioner practicing in accordance with KRS 319.056;

(e) A clinical social worker licensed and practicing in accordance with KRS 335.100;

(f) An advanced practice registered nurse licensed and practicing in accordance with KRS 314.042;

(g) A physician assistant licensed under KRS 311.840 to 311.862;

(h) A licensed marriage and family therapist as defined by KRS 335.300;

(i) A licensed professional clinical counselor as defined by KRS 335.500;

(j) A licensed professional art therapist as defined by KRS 309.130(2); or

(k) A licensed behavior analyst as defined by KRS 319C.010(6).

(3) "Behavioral health professional under clinical supervision" means a:

(a) Psychologist certified and practicing in accordance with KRS 319.056;

(b) Licensed psychological associate licensed and practicing in accordance with KRS 319.064;

(c) Marriage and family therapist associate as defined by KRS 335.300(3);

(d) Social worker certified and practicing in accordance with KRS 335.080;

(e) Licensed professional counselor associate as defined by KRS 335.500(4);

(f) Licensed professional art therapist associate as defined by KRS 309.130(3); or

(g) Registered behavior technician under the supervision of a licensed behavior analyst.

(4) "Behavioral health services organization" means an entity licensed under this administra-

tive regulation to provide behavioral health services as described in Section 5 of this administrative regulation.

(5) "Cabinet" means the Cabinet for Health and Family Services.

(6) "Child with a serious emotional disability" is defined by KRS 200.503(3).

(7) "Community support associate" means a paraprofessional who meets the application, training, and supervision requirements of 908 KAR 2:250.

(8) "Family peer support specialist" means an individual who meets the requirements for a family peer support specialist established by 908 KAR 2:230.

(9) "Severe mental illness" means the conditions defined by KRS 210.005(2) and (3).

(10) "Targeted case manager" means an individual who meets the requirements for a targeted case manager established by 908 KAR 2:260.

(11) "Telehealth" is defined by KRS 205.510(15).

(12) "Youth peer support specialist" means an individual who meets the requirements for a youth peer support specialist established by 908 KAR 2:240.

Section 2. Licensure Application and Fees. (1) An applicant for initial licensure as a behavioral health services organization shall submit to the Office of Inspector General:

(a) A completed Application for License to Operate a Behavioral Health Services Organization; and

(b) An accompanying initial licensure fee in the amount of \$750, made payable to the Kentucky State Treasurer.

(2) At least sixty (60) calendar days prior to the date of annual renewal, a behavioral health services organization shall submit to the Office of Inspector General:

(a) A completed Application for License to Operate a Behavioral Health Services Organization; and

(b) An annual renewal fee of \$500, made payable to the Kentucky State Treasurer.

(3) A behavioral health services organization:

(a) May provide behavioral health services as described in Section 5 of this administrative regulation at extension locations separate from its permanent facility; and

(b) Shall pay a fee in the amount of \$250 per extension, submitted to the Office of Inspector General at the time of initial licensure, renewal, or the addition of a new extension to the organization's license.

(4)(a) Name change. A behavioral health services organization shall:

1. Notify the Office of Inspector General in writing within ten (10) calendar days of the effective date of a change in the organization's name; and

2. Submit a processing fee of twenty-five (25) dollars.

(b) Change of location. A behavioral health services organization shall not change the location where a program is operated until an Application for License to Operate a Behavioral Health Services Organization accompanied by a fee of \$100 is filed with the Office of Inspector General.

(c) Change of ownership.

1. The new owner of a behavioral health services organization shall submit to the Office of Inspector General an Application for License to Operate a Behavioral Health Services Organization accompanied by a fee of \$750 within ten (10) calendar days of the effective date of the ownership change.

2. A change of ownership for a license shall be deemed to occur if more than twenty-five (25) percent of an existing behavioral health services organization or capital stock or voting rights of a corporation is purchased, leased, or otherwise acquired by one (1) person from another.

(5) To obtain approval of initial licensure or renew a license to operate a behavioral health services organization, the licensee shall be in compliance with this administrative regulation and federal, state, and local laws and regulations pertaining to the operation of the organization.

Section 3. Scope of Operation and Services. (1) A behavioral health services organization shall:

(a) Provide behavioral health services, as described in Section 5 of this administrative regulation, to meet client needs for treatment of a:

1. Mental health disorder; or

2. Co-occurring mental health and substance use disorder (SUD) in which:

a. The mental health disorder is the primary diagnosis and SUD is the secondary diagnosis; and

b. Services are provided by a licensed practitioner qualified to treat co-occurring mental health and SUD:

(i) Under the scope of the practitioner's licensure; and

(ii) In accordance with 907 KAR 15:020, Section 3(2)(b); and

(b) Unless an extension is granted pursuant to subsection (2) of this section, become accredited within one (1) year of initial licensure by one (1) of the following:

1. Joint Commission;

2. Commission on Accreditation of Rehabilitation Facilities;

3. Council on Accreditation; or

4. A nationally recognized accreditation organization.

(2)(a) If a behavioral health services organization has not obtained accreditation in accordance with subsection (1)(b) of this section within one (1) year of initial licensure, the organization may request a one (1) time only extension to complete the accreditation process.

(b) A request for extension shall:

1. Be submitted in writing to the Office of Inspector General at least sixty (60) days prior to the date of annual renewal;

2. Include evidence that the organization initiated the process of becoming accredited within sixty (60) days of initial licensure and is continuing its efforts to obtain accreditation; and

3. Include an estimated timeframe by which approval of accreditation is anticipated.

(3) The cabinet shall revoke a license if a behavioral health services organization fails to meet one (1) of the following requirements:

(a) Become accredited in accordance with subsection (1)(b) of this section;

(b) Request an extension in accordance with subsection (2) of this section if accreditation has not been obtained within one (1) year of initial licensure; or

(c) Maintain accreditation.

(4) Proof of accreditation shall be provided to the Office of Inspector General upon receiving accreditation and at the time of annual renewal described in Section 2(2) of this administrative regulation.

Section 4. Administration and Operation. (1) Licensee. The licensee shall be legally responsible for:

(a) The behavioral health services organization;

(b) The establishment of administrative policy; and

(c) Ensuring compliance with federal, state, and local laws and regulations pertaining to the operation of the organization.

(2) Executive director. The licensee shall establish lines of authority and designate an executive director.

utive director who:

(a) May serve in a dual role as the organization's program director described in subsection (5)(a) of this section;

(b) Shall be responsible for the administrative management of the organization, including:

1. The total program of the organization in accordance with the organization's written policies; and

2. Evaluation of the program as it relates to the needs of each client; and

(c) Shall have a master's degree in business administration or a human services field, or a bachelor's degree in a human services field, including:

1. Social work;

2. Sociology;

3. Psychology;

4. Guidance and counseling;

5. Education;

6. Religion;

7. Business administration;

8. Criminal justice;

9. Public administration;

10. Child care administration;

11. Christian education;

12. Divinity;

13. Pastoral counseling;

14. Nursing;

15. Public health; or

16. Another human service field related to working with children with serious emotional disabilities or clients with severe mental illness.

(3) An executive director with a master's degree shall have a minimum of two (2) years of prior supervisory experience in a human services program.

(4) An executive director with a bachelor's degree shall have a minimum of two (2) years of prior experience in a human services program plus two (2) years of prior supervisory experience in a human services program.

(5) Personnel. A behavioral health services organization shall employ the following personnel directly or by contract:

(a) A program director who shall be a:

1. Psychiatrist;

2. Physician;

3. Certified or licensed psychologist;

4. Licensed psychological practitioner;

5. Advanced practice registered nurse;

6. Licensed professional clinical counselor;

7. Licensed marriage and family therapist;

8. Licensed professional art therapist;

9. Licensed behavior analyst; or

10. Licensed clinical social worker; and

(b) A sufficient number of personnel to provide behavioral health services, which may include:

1. Behavioral health professionals;

2. Behavioral health professionals under clinical supervision;

3. Targeted case managers;

- 4. Peer support specialists; or
- 5. Community support associates.
- (6) Background checks.

(a) The executive director and all personnel of a behavioral health services organization shall:

- 1. Have a criminal record check performed upon initial hire through the Administrative Office of the Courts or the Kentucky State Police;
- 2. Not have a criminal conviction, or plea of guilty, to a:
  - a. Sex crime as specified in KRS 17.500;
  - b. Violent crime as specified in KRS 439.3401;
  - c. Criminal offense against a minor as specified in KRS 17.500; or
  - d. Class A felony; and
- 3. Not be listed on the following:
  - a. Central registry established by 922 KAR 1:470, if the BHSO provides services to clients under age eighteen (18);
  - b. Nurse aide or home health aide abuse registry established by 906 KAR 1:100; or
  - c. Caregiver misconduct registry established by 922 KAR 5:120.

(b) A behavioral health services organization shall perform annual criminal record and registry checks as described in paragraph (a) of this subsection on a random sample of at least twenty-five (25) percent of all personnel.

(7) Policies. The behavioral health services organization shall establish written policies for the administration and operation of the organization, which shall be available to all personnel and include:

(a) A description of the organizational structure specifying the responsibility, function, and interrelations of each organizational unit, and the lines of administrative and clinical authority;

(b) The organization's method and procedure for storage, dispensing, and administering a drug or biological agent;

(c) A client grievance procedure as described in subsection (11) of this section;

(d) The organization's procedure for maintaining the confidentiality of client records in accordance with federal, state, and local statutes and regulations; and

(e) Personnel policy, including:

- 1. A job description and qualifications for each personnel category;
- 2. A plan for orientation of personnel to the policies and objectives of the organization and on-the-job training, if necessary; and
- 3. An annual training program for staff, which shall include:
  - a. Detection and reporting of abuse, neglect, or exploitation;
  - b. Behavioral management, including de-escalation training;
  - c. Physical management procedures and techniques; and
  - d. Emergency and safety procedures.

(8) Personnel record. A personnel record shall be kept on each staff member and shall contain the following items:

(a) Name and address;

(b) Verification of all training and experience, including licensure, certification, registration, or renewals;

(c) Verification of submission to the background check requirements of subsection (6) of this section;

(d) Annual performance appraisals; and

(e) Employee incident reports.

(9) After hours services.

(a) The behavioral health services organization shall provide, directly or through written agreement with another behavioral health services provider, access to emergency services face-to-face or via telehealth twenty-four (24) hours per day, seven (7) days per week.

(b) Emergency services shall include interventions necessary to screen, assess, refer, and treat an individual from the point of the identified emergency or behavioral health crisis to the point of resolution of the emergency or crisis.

(10) Quality assurance and utilization review.

(a) The behavioral health services organization shall have a quality assurance and utilization review program designed to:

1. Enhance treatment and care through the ongoing objective assessment of services provided, including the correction of identified problems; and

2. Provide an effective mechanism for review and evaluation of the service needs of each client.

(b) The need for continuing services shall be evaluated immediately upon a change in a client's service needs or a change in the client's condition to ensure that proper arrangements have been made for:

1. Discharge;

2. Transfer; or

3. Referral to another service provider, if appropriate.

(11) Client grievance policy. The behavioral health services organization shall have written policies and procedures governing client grievances, which shall include the following:

(a) Identification of a behavioral health services organization ombudsman;

(b) A process for filing a written client grievance;

(c) An appeals process with time frames for filing and responding to a grievance in writing;

(d) Protection for a client from interference, coercion, discrimination, or reprisal; and

(e) Conspicuous posting of the grievance procedures in a public area to inform a client of:

1. His or her right to file a grievance;

2. The process for filing a grievance; and

3. The address and telephone number of the behavioral health services organization's and cabinet's ombudsman.

Section 5. Services. A behavioral health services organization shall provide treatment to meet client needs, including one (1) or more of the following:

(1) Screening, which shall be provided face-to-face or via telehealth by a behavioral health professional or behavioral health professional under clinical supervision to determine the:

(a) Likelihood that an individual has a mental health, substance use, or co-occurring disorder; and

(b) Need for an in-depth assessment;

(2) Assessment, which shall:

(a) Be provided face-to-face or via telehealth by a behavioral health professional or behavioral health professional under clinical supervision who gathers information and engages in a process with the client to:

1. Establish the presence or absence of a mental health disorder, substance use disorder, or co-occurring disorder;

2. Determine the client's readiness for change;

3. Identify the client's strengths or problem areas that may affect the treatment and recovery processes; and

4. Engage the client in developing an appropriate treatment relationship;

(b) Establish or rule out the existence of a clinical disorder or service need;

- (c) Include working with the client to develop a plan of care if a clinical disorder or service need is assessed; and
- (d) Not include psychological or psychiatric evaluations or assessments;
- (3) Psychological testing, which shall:
  - (a) Be performed by a licensed psychologist, certified psychologist with autonomous functioning, certified psychologist, licensed psychological associate, or licensed psychological practitioner; and
  - (b) Include a psychodiagnostic assessment of personality, psychopathology, emotionality, or intellectual disabilities, and interpretation and written report of testing results;
- (4) Crisis intervention, which:
  - (a) Shall be a therapeutic intervention for the purpose of immediately reducing or eliminating the risk of physical or emotional harm to the client or another individual;
  - (b) Shall consist of clinical intervention and support services necessary to provide integrated crisis response, crisis stabilization interventions, or crisis prevention activities;
  - (c) Shall be provided:
    - 1. As an immediate relief to the presenting problem or threat; and
    - 2. In a one (1) on one (1) encounter or as a comparable service provided via telehealth;
  - (d) Shall be provided by a:
    - 1. Behavioral health professional; or
    - 2. Behavioral health professional under clinical supervision;
  - (e) Shall be followed by a referral to noncrisis services, if applicable; and
  - (f) May include:
    - 1. Further service prevention planning, including lethal means reduction for suicide risk; or
    - 2. Verbal de-escalation, risk assessment, or cognitive therapy;
- (5) Mobile crisis services, which shall:
  - (a) Be available twenty-four (24) hours a day, seven (7) days a week, every day of the year;
  - (b) Be provided for a duration of less than twenty-four (24) hours;
  - (c) Not be an overnight service;
  - (d) Be a multi-disciplinary team based intervention that ensures access to acute mental health services and supports to:
    - 1. Reduce symptoms or harm; or
    - 2. Safely transition an individual in an acute crisis to the appropriate, least restrictive level of care;
  - (e) Involve all services and supports necessary to provide:
    - 1. Integrated crisis prevention;
    - 2. Assessment and disposition;
    - 3. Intervention;
    - 4. Continuity of care recommendations; and
    - 5. Follow-up services;
  - (f) Be provided face-to-face in a home or community setting by:
    - 1. A behavioral health professional;
    - 2. A behavioral health professional under clinical supervision; or
    - 3. An adult, family, or youth peer support specialist, as appropriate, working under the supervision of a behavioral health professional; and
  - (g) Ensure access to a board certified or board-eligible psychiatrist twenty-four (24) hours a day, seven (7) days a week, every day of the year;
- (6) Day treatment, which shall:
  - (a) Be a nonresidential, intensive treatment program designed for children who:
    - 1. Have a mental health disorder;

2. Are under twenty-one (21) years of age; and
3. Are at high risk of out-of-home placement due to a behavioral health issue;
- (b) Consist of an organized, behavioral health program of treatment and rehabilitative services for mental health disorder;
- (c) Have unified policies and procedures that address the organization's philosophy, admission and discharge criteria, admission and discharge process, staff training, and integrated case planning;
- (d) Include the following:
  1. Individual outpatient therapy, family outpatient therapy, or group outpatient therapy;
  2. Behavior management and social skill training;
  3. Independent living skills that correlate to the age and development stage of the client; or
  4. Services designed to explore and link with community resources before discharge and to assist the client and family with transition to community services after discharge;
- (e) Be provided as follows:
  1. In collaboration with the education services of the local education authority including those provided through 20 U.S.C. 1400 et seq. (Individuals with Disabilities Education Act) or 29 U.S.C. 701 et seq. (Section 504 of the Rehabilitation Act);
  2. On school days and during scheduled school breaks;
  3. In coordination with the child's individual educational plan or Section 504 plan if the child has an individual educational plan or Section 504 plan;
  4. By personnel that includes a behavioral health professional, a behavioral health professional under clinical supervision, or a family or youth peer support specialist, as appropriate, and working under the supervision of a behavioral health professional; and
  5. According to a linkage agreement with the local education authority that specifies the responsibilities of the local education authority and the day treatment provider; and
- (f) Not include a therapeutic clinical service that is included in a child's individualized education plan;
- (7) Peer support, which shall:
  - (a) Be provided face-to-face by an adult, family, or youth peer support specialist, as appropriate, working under the supervision of a behavioral health professional;
  - (b) Be a structured and scheduled nonclinical therapeutic activity with a client or group of clients;
  - (c) Promote socialization, recovery, self-advocacy, preservation, and enhancement of community living skills;
  - (d) Be identified in the client's plan of care developed through a person-centered planning process; and
  - (e) If provided to clients in a group setting, not exceed eight (8) individuals within any group at a time;
- (8) Intensive outpatient program services, which shall:
  - (a) Offer a multi-modal, multi-disciplinary structured outpatient treatment program that is more intensive than individual outpatient therapy, group outpatient therapy, or family outpatient therapy;
  - (b) Be provided at least:
    1. Three (3) hours per day at least three (3) days per week for adults; or
    2. Six (6) hours per week for adolescents;
  - (c) Include:
    1. Individual outpatient therapy, group outpatient therapy, or family outpatient therapy unless contraindicated;
    2. Crisis intervention; or

3. Psycho-education that is related to identified goals in the client's treatment plan. If psycho-education is provided, the client or client's family member shall be:

a. Provided with knowledge regarding the client's diagnosis, the causes of the condition, and the reasons why a particular treatment might be effective for reducing symptoms; and

b. Taught how to cope with the client's diagnosis or condition in a successful manner;

(d) Include a treatment plan, which shall:

1. Be individualized; and

2. Focus on stabilization and transition to a lower level of care;

(e) Be provided by a behavioral health professional or behavioral health professional under clinical supervision;

(f) Include access to a board-certified or board-eligible psychiatrist for consultation;

(g) Include access to a psychiatrist, other physician, or advanced practice registered nurse for medication prescribing and monitoring; and

(h) Be provided in a setting with a minimum client-to-staff ratio of ten (10) clients to one (1) staff person;

(9) Individual outpatient therapy, which shall:

(a) Be provided to promote the:

1. Health and wellbeing of the client; and

2. Restoration of a client to his or her best possible functional level;

(b) Consist of a:

1.a. Face-to-face, one (1) on one (1) encounter between program staff and the client; or

b. Telehealth consultation; and

2. Behavioral health therapeutic intervention provided in accordance with the client's plan of care;

(c) Be aimed at:

1. Reducing adverse symptoms;

2. Reducing or eliminating the presenting problem of the client; and

3. Improving functioning;

(d) Not exceed three (3) hours per day alone or in combination with any other outpatient therapy unless additional time with the client is medically necessary in accordance with 907 KAR 3:130; and

(e) Be provided by a behavioral health professional or behavioral health professional under clinical supervision;

(10) Group outpatient therapy, which shall:

(a) Be provided to promote the:

1. Health and wellbeing of the client; and

2. Restoration of a client to his or her best possible functional level;

(b) Consist of a face-to-face behavioral health therapeutic intervention provided in accordance with the client's plan of care;

(c) Excluding multi-family group therapy, be provided in a group setting of nonrelated individuals, not to exceed twelve (12) individuals in size. For group outpatient therapy, a nonrelated individual means any individual who is not a spouse, significant other, parent or person with custodial control, child, sibling, stepparent, stepchild, step-brother, step-sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent, or grandchild;

(d) Focus on the psychological needs of the client as evidenced in the client's plan of care;

(e) Center on goals including building and maintaining healthy relationships, personal goals setting, and the exercise of personal judgment;

(f) Not include physical exercise, a recreational activity, an educational activity, or a social

activity;

(g) Not exceed three (3) hours per day alone or in combination with any other outpatient therapy unless additional time with the client is medically necessary in accordance with 907 KAR 3:130;

(h) Ensure that the group has a deliberate focus and defined course of treatment;

(i) Ensure that the subject of group outpatient therapy is related to each client participating in the group; and

(j) Be provided by a behavioral health professional or behavioral health professional under clinical supervision who shall maintain individual notes regarding each client within the group in the client's record;

(11) Family outpatient therapy, which shall:

(a) Consist of a behavioral health therapeutic intervention provided face-to-face or via telehealth through scheduled therapeutic visits between the therapist, the client, and at least one (1) member of the client's family;

(b) Address issues interfering with the relational functioning of the family;

(c) Seek to improve interpersonal relationships within the client's home environment;

(d) Be provided to promote the health and wellbeing of the client, including restoration of a client to his or her best possible functional level;

(e) Not exceed three (3) hours per day alone or in combination with any other outpatient therapy unless additional time with the client is medically necessary in accordance with 907 KAR 3:130; and

(f) Be provided by a behavioral health professional or behavioral health professional under clinical supervision;

(12) Collateral outpatient therapy, which shall consist of a face-to-face or telehealth consultation:

(a) With a parent, caregiver, or person who has custodial control of a client under the age of twenty-one (21), household member, legal representative, school personnel, or treating professional;

(b) Provided by a behavioral health professional or behavioral health professional under clinical supervision; and

(c) Provided upon the written consent of a parent, caregiver, or person who has custodial control of a client under the age of twenty-one (21). Documentation of written consent shall be signed and maintained in the client's record;

(13) Service planning, which shall be provided face-to-face by a behavioral health professional or behavioral health professional under clinical supervision, either of which shall be of the client's choosing to:

(a) Assist the client in creating an individualized plan for services and developing measurable goals and objectives needed for maximum reduction of the effects of mental health disorder;

(b) Restore the client's functional level to the client's best possible functional level; and

(c) Develop a service plan, which:

1. Shall be directed and signed by the client; and

2. May include:

a. A mental health advance directive being filed with a local hospital;

b. A crisis plan; or

c. A relapse prevention strategy or plan;

(14) Screening, brief intervention and referral to treatment for substance use disorders, which shall:

(a) Be an evidence-based early intervention approach for an individual with non-dependent

substance use to provide an effective strategy for intervention prior to the need for more extensive or specialized treatment; and

(b) Consist of:

1. Using a standardized screening tool to assess the individual for risky substance use behavior;
2. Engaging a client who demonstrates risky substance use behavior in a short conversation, providing feedback and advice;
3. Referring the client to therapy or other services that address substance use if the client is determined to need additional services; and
4. Be provided by a behavioral health professional, behavioral health professional under clinical supervision, or a certified alcohol and drug counselor;

(15) Assertive community treatment for mental health disorders, which shall:

(a) Include assessment, treatment planning, case management, psychiatric services, individual, family, or group therapy, peer support, mobile crisis services, crisis intervention, mental health consultation with other treating professionals who may have information for the purpose of treatment planning and service delivery, family support to improve family relations to reduce conflict and increase the client's autonomy and independent functioning, or basic living skills focused on teaching activities of daily living necessary to maintain independent functioning and community living;

(b) Be provided face-to-face by a multidisciplinary team of at least four (4) professionals, including a nurse, case manager, peer support specialist, and any other behavioral health professional or behavioral health professional under clinical supervision; and

(c) Have adequate staffing to ensure that no caseload size exceeds ten (10) participants per team member;

(16) Comprehensive community support services, which shall:

(a) Consist of activities needed to allow an individual with a mental health disorder to live with maximum independence in the community through the use of skills training as identified in the client's treatment plan;

(b) Consist of using a variety of psychiatric rehabilitation techniques to:

1. Improve daily living skills;
2. Improve self-monitoring of symptoms and side effects;
3. Improve emotional regulation skills;
4. Improve crisis coping skills; and
5. Develop and enhance interpersonal skills; and

(c) Be provided face-to-face by a:

1. Behavioral health professional;
2. Behavioral health professional under clinical supervision;
3. Community support associate under the supervision of a behavioral health professional;

or

4. Registered behavior technician;

(17) Therapeutic rehabilitation program for an adult with a severe mental illness or child with a serious emotional disability, which shall:

(a) Include face-to-face services designed to maximize the reduction of mental illness or emotional disability and restoration of the client's functional level to the individual's best possible functioning;

(b) Require the client to be responsible for establishing his or her own rehabilitative goals within the person-centered plan of care;

(c) Be delivered using a variety of psychiatric rehabilitation techniques focused on:

1. Improving daily living skills;

2. Self-monitoring of symptoms and side effects;
3. Emotional regulation skills;
4. Crisis coping skills; and
5. Interpersonal skills; and
- (d) Be provided individually or in a group by a:
  1. Behavioral health professional, except for a licensed behavioral analyst;
  2. Behavioral health professional under clinical supervision, except for a registered behavior technician; or
  3. Peer support specialist under the supervision of a behavioral health professional;
- (18) Targeted case management services, which shall:
  - (a) Include services to:
    1. A child with a serious emotional disability or co-occurring disorder that includes a:
      - a. Chronic or complex physical health issue; or
      - b. Secondary SUD diagnosis; or
    2. An adult with severe mental illness or co-occurring disorder that includes a:
      - a. Chronic or complex physical health issue; or
      - b. Secondary SUD diagnosis;
  - (b) Be provided by a targeted case manager; and
  - (c) Include the following assistance:
    1. Comprehensive assessment and reassessment of client needs to determine the need for medical, educational, social, or other services. The reassessment shall be conducted annually or more often if needed based on changes in the client's condition;
    2. Development of a specific care plan, which shall be based on information collected during the assessment and revised if needed upon reassessment;
    3. Referral and related activities, which may include:
      - a. Scheduling appointments for the client to help the individual obtain needed services; or
      - b. Activities that help link the client with medical, social, educational providers, or other programs and services that address identified needs and achieve goals specified in the care plan; and
    4. Monitoring, which shall be face-to-face and occur no less than once every three (3) months to determine that:
      - a. Services are furnished according to the client's care plan;
      - b. Services in the care plan are adequate; and
      - c. Changes in the needs or status of the client are reflected in the care plan; and
    5. Contacts with the client, family members, service providers, or others are conducted as frequently as needed to help the client:
      - a. Access services;
      - b. Identify needs and supports to assist the client in obtaining services; and
      - c. Identify changes in the client's needs; or
- (19) Partial hospitalization, which:
  - (a) Shall be short-term, with an average of four (4) to six (6) weeks;
  - (b) Shall be an intensive treatment program for an individual who is experiencing significant impairment to daily functioning due to a mental health disorder;
  - (c) May be provided to an adult or a minor;
  - (d) Shall be based on an inability of community-based therapies or intensive outpatient services to adequately treat the client;
  - (e) Shall consist of:
    1. Individual outpatient therapy;
    2. Group outpatient therapy;

3. Family outpatient therapy; or

4. Medication management;

(f) If provided to minors, shall include an agreement with the local educational authority including those provided through 20 U.S.C. 1400 et seq. or 29 U.S.C. 701 et seq.;

(g) Shall be provided for at least five (5) hours per day, four (4) days per week, and focused on one (1) primary presenting problem;

(h) Shall include the following personnel for the purpose of providing medical care, if necessary:

1. An on-site advanced practice registered nurse, physician assistant, or physician; and

2. A board-certified or board-eligible psychiatrist available for consultation; and

(i) Shall provide services utilizing a recognized intervention protocol based on nationally accepted treatment principles.

Section 6. Plan of Care. (1) Each client receiving direct treatment from a behavioral health services organization shall have an individual plan of care signed by a behavioral health professional.

(2) A plan of care shall:

(a) Describe the services to be provided to the client, including the frequency of services;

(b) Contain measurable goals for the client to achieve, including the expected date of achievement for each goal;

(c) Describe the client's functional abilities and limitations, or diagnosis listed in the current edition of the American Psychiatric Association Diagnostic and Statistical Manual of Mental Disorders;

(d) Specify each staff member assigned to work with the client;

(e) Identify methods of involving the client's family or significant others if indicated;

(f) Specify criteria to be met for termination of treatment;

(g) Include any referrals necessary for services not provided directly by the behavioral health services organization; and

(h) State the date scheduled for review of the plan.

(3) The client shall participate to the maximum extent feasible in the development of his or her plan of care, and the participation shall be documented in the client's record.

(4)(a) The initial plan of care shall be developed through multidisciplinary team conferences as clinically indicated and at least thirty (30) days following the first ten (10) days of treatment.

(b)1. The plan of care for an individual receiving intensive outpatient program services or partial hospitalization shall be reviewed every thirty (30) days thereafter and updated every sixty (60) days or earlier if clinically indicated.

2. The plan of care for an individual receiving any other outpatient service as described by Section 5 of this administrative regulation shall be reviewed and updated every six (6) months thereafter or earlier if clinically indicated.

(c) The plan of care and each review and update shall be signed by the participants in the multidisciplinary team conference that developed it.

(5) A medical service, including a change of medication, a diet restriction, or a restriction on physical activity shall be ordered by a physician or other ordering practitioner acting within the limits of his or her statutory scope of practice.

Section 7. Client Records. (1) A client record shall be maintained for each individual receiving services.

(2) Each entry shall be current, dated, signed, and indexed according to the service received.

- (3) Each client record shall contain:
  - (a) An identification sheet, including the client's name, address, age, gender, marital status, expected source of payment, and referral source;
  - (b) Information on the purpose for seeking a service;
  - (c) If applicable, consent of appropriate family members or guardians for admission, evaluation, and treatment;
  - (d) Screening information pertaining to the mental health disorder;
  - (e) If applicable, a psychosocial history;
  - (f) If applicable, staff notes on services provided;
  - (g) If applicable, the client's plan of care;
  - (h) If applicable, disposition;
  - (i) If applicable, assigned status;
  - (j) If applicable, assigned therapists; and
  - (k) If applicable, a termination study recapitulating findings and events during treatment, clinical impressions, and condition on termination.
- (4) Ownership.
  - (a) Client records shall be the property of the organization.
  - (b) The original client record shall not be removed from the organization except by court order or subpoena.
  - (c) Copies of a client record or portions of the record may be used and disclosed. Use and disclosure shall be as established by subsection (6) of this section.
- (5) Retention of records. After a client's death or discharge, the completed client record shall be placed in an inactive file and:
  - (a) Retained for six (6) years; or
  - (b) If a minor, three (3) years after the client reaches the age of majority under state law, whichever is the longest.
- (6) Confidentiality and Security: Use and Disclosure.
  - (a) The organization shall maintain the confidentiality and security of client records in compliance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320d-2 to 1320d-8, and 45 C.F.R. Parts 160 and 164, as amended, including the security requirements mandated by subparts A and C of 45 C.F.R. Part 164.
  - (b) The organization may use and disclose client records. Use and disclosure shall be as established or required by HIPAA, 42 U.S.C. 1320d-2 to 1320d-8, and 45 C.F.R. Parts 160 and 164.
  - (c) A behavioral health services organization may establish higher levels of confidentiality and security than required by HIPAA, 42 U.S.C. 1320d-2 to 1320d-8, and 45 C.F.R. Parts 160 and 164.

Section 8. Client Rights. (1) A behavioral health services organization shall have written policies and procedures to ensure that the rights of a client are protected while receiving one (1) or more services as described in Section 5 of this administrative regulation.

(2) A behavioral health services organization shall have written policies and procedures governing client grievances pursuant to Section 4(11) of this administrative regulation.

(3) A client shall not be unlawfully discriminated against in determining eligibility for a service.

(4) During a behavioral health services organization's intake procedures, a client shall sign a statement that specifies that the client has the right to:

- (a) Give informed consent to receive a service.

1. An adult shall sign an informed consent to receive a service.

2. A parent, caregiver, or person who has custodial control of a child shall sign an informed consent for the child to receive a service;

(b) Have input into his or her plan of care and be informed of the plan's content;

(c) Receive individualized treatment;

(d) File a grievance, recommendation, or opinion regarding the services the client receives;

(e) Give informed written consent regarding participation in a research study with the exception of a child whose parent or guardian shall give informed written consent;

(f) Confidentiality according to Section 7(6) of this administrative regulation;

(g) Request a written statement of the charge for a service and be informed of the policy for the assessment and payment of fees;

(h) Be informed of the rules of client conduct and responsibilities;

(i) Be treated with consideration, respect, and personal dignity;

(j) Review his or her client record in accordance with the organization's policy; and

(k) Receive one (1) free copy of his or her client record.

(5) The statement of client rights as described in subsection (4) of this section shall be:

(a) Provided to the client;

(b) If the client is a minor or incapacitated, provided to the client's parent, guardian, or other legal representative in addition to the client; and

(c) Read to the client or client's parent, guardian, or other legal representative if requested or if either cannot read.

(6) If a client is restricted from exercising a client right because it is contraindicated by the client's physical or mental condition, there shall be documentation in the client record of the reason for the restriction and of the explanation given to the client.

Section 9. Physical Environment. (1) Accessibility. A behavioral health services organization shall meet requirements for making buildings and facilities accessible to and usable by individuals with physical disabilities pursuant to KRS 198B.260 and 815 KAR 7:120.

(2) Fire safety. A behavioral health services organization shall be approved by the State Fire Marshal's office prior to initial licensure or if an organization changes location.

(3) Physical location and overall environment.

(a) A behavioral health services organization shall:

1. Comply with building codes, ordinances, and administrative regulations that are enforced by city, county, or state jurisdictions;

2. Display a sign that can be viewed by the public that contains the facility name, hours of operation, and a street address;

3. Have a publicly listed telephone number and a dedicated phone number to send and receive faxes with a fax machine that shall be operational twenty-four (24) hours per day;

4. Have a reception and waiting area;

5. Provide a restroom; and

6. Have an administrative area.

(b) The condition of the physical location and the overall environment shall be maintained in such a manner that the safety and well-being of clients, personnel, and visitors are assured.

(4) Prior to occupancy, the facility shall have final approval from appropriate agencies.

Section 10. License Procedures. The behavioral health services organization shall be subject to the provisions of 902 KAR 20:008, Sections 1, 2, 5, 6, and 7.

Section 11. Denial and Revocation. (1) The cabinet shall deny an Application for License to Operate a Behavioral Health Services Organization if:

(a) Any person with ownership interest in the organization has had previous ownership interest in a health care facility that had its license revoked or voluntarily relinquished its license as the result of an investigation or pending disciplinary action;

(b) Any person with ownership interest in the organization has been discontinued from participation in the Medicaid Program due to fraud or abuse of the program; or

(c) The applicant fails after the initial inspection to submit an acceptable plan of correction or fails to submit an acceptable amended plan of correction within the timeframes required by 902 KAR 20:008, Section 2(13).

(2) The cabinet shall revoke a license if it finds that:

(a) In accordance with KRS 216B.105(2), there has been a substantial failure by the behavioral health services organization to comply with the provisions of this administrative regulation;

(b) The behavioral health services organization fails to submit an acceptable plan of correction or fails to submit an acceptable amended plan of correction within the timeframes required by 902 KAR 20:008, Section 2(13); or

(c) The behavioral health services organization is terminated from participation in the Medicaid Program pursuant to 907 KAR 1:671.

(3) The denial or revocation of a behavioral health services organization's license shall be mailed to the applicant or licensee, by certified mail, return receipt requested, or by personal service. Notice of the denial or revocation shall set forth the particular reasons for the action.

(4) The denial or revocation shall become final and conclusive thirty (30) days after notice is given, unless the applicant or licensee, within the thirty (30) day period, files a request in writing for a hearing with the cabinet.

(5) Urgent action to suspend a license.

(a) The cabinet shall take urgent action to suspend a behavioral health services organization's license if the cabinet has probable cause to believe that the continued operation of the organization would constitute an immediate danger to the health, welfare, or safety of its patients.

(b)1. The behavioral health services organization shall be served with notice of the hearing on the urgent suspension to be held no sooner than twenty (20) days from the delivery of the notice.

2. Notice of the urgent suspension shall set forth the particular reasons for the action.

(6) Notice of a hearing on an urgent suspension shall be served on the behavioral health services organization by certified mail, return receipt requested, or by personal service.

(7)(a) Within five (5) working days of completion of the hearing, the cabinet's hearing officer shall render a written decision affirming, modifying, or revoking the urgent suspension.

(b) The urgent suspension shall be affirmed if there is substantial evidence of an immediate danger to the public health, safety, or welfare.

(8) The decision rendered under subsection (7) of this section shall be a final order of the agency on the matter, and any party aggrieved by the decision may appeal to circuit court.

(9) If the cabinet issues an urgent suspension, the cabinet shall take action to revoke the behavioral health services organization's license pursuant to subsection (3) of this section if:

(a) The organization fails to attend the expedited hearing; or

(b) The decision rendered under subsection (7) of this section affirms that there is substantial evidence of an immediate danger to the public health, safety, or welfare.

(10) Pursuant to KRS 216B.050, the cabinet may compel obedience to its lawful orders.

Section 12. Incorporation by Reference. (1) The OIG 20:430, "Application for License to Operate a Behavioral Health Services Organization", October 2019 edition, is incorporated by reference.
